Comber Rifle Club would like to thank all those who made time to support the competition, both prone rifle and LWSR, especially in the current difficult circumstances. The online booking system worked very well, thanks to Andy Ginn, and although the match was very different to previous years the competition was enjoyable with some good scores recorded. Due to social distancing requirements and limitation of numbers at the range it has been agreed to run the Stanhill Championship Final for the top 8 prone rifle competitors at the next electronic match to be held in October, giving everyone more shooting/match opportunity. Details on the final schedule will be advised in due course. Thanks to Robert Conn for his kind donation as he was unable to shoot on the day, and to Tony Young for running the LWSR competition.
